ABOUT COMPANY

Akod Scaffolding is a premier manufacturer and supplier of scaffolding and formwork solutions, established with a vision to support the construction and industrial sectors through high-quality, reliable, and safe scaffolding systems. Founded in 2021, we have rapidly grown to become a trusted partner in the construction, oil & gas, energy, power generation, and industrial maintenance industries. With our manufacturing facilities located in India and Qatar, Akod Scaffolding is committed to providing top-tier scaffolding products and services globally.

Our product range includes an extensive variety of scaffolding systems, accessories, and formwork solutions, designed to meet the diverse needs of our clients across multiple industries. Whether it's for a high-rise building project, industrial plant maintenance, or power generation infrastructure, we supply products that ensure safety, efficiency, and durability on every job site.

At Akod Scaffolding, we are driven by a commitment to quality, innovation, and customer satisfaction. Our manufacturing processes are backed by cutting-edge technology and strict quality control procedures, ensuring that every product we deliver meets the highest industry standards. With a monthly production capacity of 8,000 tons, we are equipped to handle both large-scale projects and routine supply demands.

Our global presence and dedication to excellence have earned us a reputation as a reliable partner for scaffolding needs. Whether you're looking for customized scaffolding solutions or rental services, Akod Scaffolding is here to provide efficient, cost-effective, and safe scaffolding systems tailored to your specific requirements.

WELCOME MESSAGE

At Akod Scaffolding, we are more than just a provider of scaffolding solutions – we are your trusted partner in creating safe, efficient, and durable structures. Our journey is driven by a passion for quality, innovation, and customer satisfaction. As a leading brand in the scaffolding industry, we take pride in delivering advanced scaffolding and formwork systems that are designed to meet the diverse needs of the construction, industrial, and infrastructure sectors.

With manufacturing facilities in India and Qatar, we ensure that every product we offer adheres to the highest industry standards, ensuring safety and reliability on every project. Whether you are involved in large-scale construction, industrial maintenance, or specialized infrastructure projects, Akod Scaffolding provides the solutions that empower you to achieve success.

Our commitment to innovation and continuous improvement allows us to stay ahead of the curve, adapting to the evolving needs of the industry while always maintaining a focus on safety and quality. Our team of experts works closely with you, offering personalized services that guarantee the right scaffolding systems for your unique requirements.

Thank you for choosing Akod Scaffolding. We are excited to be part of your journey, and we look forward to collaborating with you to build safer, more efficient, and impactful projects that stand the test of time.

OUR VISION & MISSION

VISSION

Akod Scaffolding, our vision is to be recognized as the global leader in scaffolding and formwork solutions, known for our unwavering commitment to safety, innovation, and excellence. We aim to revolutionize the scaffolding industry by providing cutting-edge, high-quality products and services that empower our clients to complete their projects safely, efficiently, and with the utmost confidence.

We envision a future where Akod Scaffolding is synonymous with trust and reliability across all sectors—construction, industrial, energy, and infrastructure. Our focus is on continuously enhancing our product offerings through innovation, advanced technology, and sustainable practices, while ensuring that we adapt to the ever-evolving needs of the industry.

Our vision extends beyond business success; we strive to make a positive impact on the communities we serve. By fostering a culture of safety, responsibility, and collaboration, we aim to not only meet but exceed the expectations of our customers, employees, and stakeholders. As we grow, we will continue to invest in our people, processes, and technology to ensure we remain at the forefront of the scaffolding industry, setting new benchmarks for quality, performance, and sustainability.

MISSION

Akod Scaffolding, our mission is to provide innovative, safe, and reliable scaffolding solutions that support the success of construction, industrial, and infrastructure projects worldwide. We are committed to delivering high-quality products and services that meet the unique needs of our clients while ensuring the highest standards of safety and efficiency.

We strive to build lasting relationships with our clients by offering personalized support, timely delivery, and cost-effective solutions. Through continuous innovation and a focus on operational excellence, we aim to remain at the forefront of the scaffolding industry, setting new benchmarks for quality, reliability, and customer satisfaction.

Our mission is also to foster a culture of sustainability, responsibility, and safety within our company and across the industries we serve. By empowering our employees, investing in advanced technology, and adhering to the best practices in manufacturing, we seek to create value for all stakeholders and contribute to the success of every project we support.

OUR SERVICE

SCAFFOLDING MATERIAL MANUFACTURING

We specialize in the manufacturing of scaffolding materials, including pipes, frames, fittings, and accessories. Our materials are crafted with precision to meet industry standards, ensuring durability and reliability

SCAFFOLDING MATERIAL SALES

We offer a wide range of scaffolding materials for sale, catering to the diverse needs of contractors and construction firms. Our products are available at competitive prices, ensuring you get the best value for your investment.

SCAFFOLDING INSTALLATION

Our professional installation services ensure that scaffolding is installed safely, efficiently, and in compliance with all safety regulations. We handle projects of all sizes, from residential buildings to large-scale industrial projects.

WORLDWIDE SHIPMENT & DOOR-TO-DOOR DELIVERY

We provide global shipping services, with reliable and timely delivery to your project site. Our door-to-door delivery ensures that scaffolding materials are delivered directly to your location, making logistics hassle-free

CUSTOMIZATION SERVICES

We specialize in providing custom scaffolding solutions that are tailored to the unique requirements of your project. Our expert team works closely with you to create efficient, safe, and practical scaffolding systems, whether for complex structures or specific site conditions.

PROJECT SUPPORT & CONSULTATION

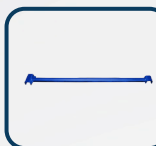

We provide expert project support and consultation throughout your project lifecycle. From initial scaffolding design and planning to on-site consultations, our team ensures that the scaffolding system you choose is the most efficient and safe option for your specific project needs.

All sizes Available

DOUBLE / RIGHT ANGLE COUPLER
Standard : EN74 / BS1139
Size : 48.3mm
Finish : HDG

SWIVEL COUPLER
Standard : EN74 / BS1139
Size : 48.3mm
Finish : HDG

BOARD RETAINING COUPLER (BRC)
Standard : EN74 / BS1139
Size : 48.3mm
Finish : HDG

SINGLE COUPLER
Standard : EN74 / BS1139
Size : 48.3mm
Finish : HDG

TOE BOARD CLAMP
Standard : EN74 / BS1139
Size : 48.3mm
Finish : HDG

BASE PLATE
Standard : EN74 / BS1139
Size : 150mm * 150mm * 6mm
Finish : HDG

LADDER CLAMP
Standard : EN74 / BS1139
Size : 48.3mm
Finish : HDG

LIMPET COUPLER
Standard : EN74 / BS1139
Size : 48.3mm
Finish : HDG

BEAM CLAMP / GIRDER COUPLER
Standard : EN74 / BS1139
Size : 48.3mm
Finish : HDG

JOINT BOX / SLEEVE COUPLER
Standard : EN74 / BS1139
Size : 48.3mm
Finish : HDG

HALF COUPLER
Standard : EN74 / BS1139
Size : 48.3mm
Finish : HDG

T-BOLT
Standard : EN74 / BS1139
Size : 60mm/70mm
Finish : HDG

FENCE COUPLER
Standard : EN74 / BS1139
Size : 48.3mm
Finish : HDG

JORDAN CLAMP
Standard : EN74 / BS1139
